Great all around

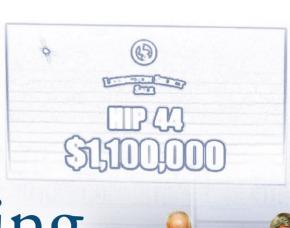

Lindy The Great topped Monday's Tattersalls Winter Mixed Sale with a bid of \$450,000 and the average soared by 41 per cent to a record \$41,244.

Breaking Barriers

The "Sale of Champions" has shattered the price threshold for the world's best bred — and best looking — Standardbred yearlings. We thank our consignors for bringing horses of this caliber to Lexington, and we invite you to join them this fall.

Hip 44 Maverick (shown here), sold for an all-time record \$1,100,000 last fall. He was followed later on opening night by Hip 105 Damien, at \$1,000,000.

A strong crowd in the Meadowlands paddock helped push the average up 41 per cent to a record \$41,244.

Monday's Tattersalls Winter Mixed Sale held in the paddock at the Meadowlands Racetrack in New Jersey, set a record for average of \$41,244 and the sales topper was the highest in 12 years. Even the gross was up almost \$1 million from a year ago despite 22 fewer offerings this year compared to last.

"This is the highest average that we've ever had here," said sale manager David Reid, "but I guess that goes back to a smaller catalogue, having higher quality and condensed offerings. I think the highest average we've had here before, in the last 10 years, was \$30,000. I think one year, back in 2008, before the (economic) crash, we were at \$35,000, so overall I am very happy."

Exactly 128 horses / stallion shares were sold, grossing \$5,279,200 for an average of \$41,244 that was up 41 per cent from the 2019 auction which saw 150 offerings gross \$4,395,300 for an average of \$29,302.

"It was a good horse sale," said Northwood Bloodstock's Bob Boni. "A lighter book than usual, but the ones that were okay and were racing, as always, sold very well."

For the second year in a row, trainer Rene Allard led all buyers. This year, he spent \$647,000, total, on three horses. Allard purchased this year's sale topper, Lindy The Great, a 6-year-old son of Crazed out of Highscore Kemp consigned by Preferred Equine, as well as Captain Malicious for \$105,000 and Cool Clifford for \$92,000.

"I came here to buy three horses and we got all three of them, so I was happy," Allard said.

As for Lindy The Great, the trainer said he tried to buy him privately in October.

"I went to see him in Kentucky before I left, in the early morning, and I asked to try to buy the horse," Allard said of the trotter bred by K R Breeding LLC (the Antonacci family) of Enfield, CT and owned in partnership with Robert Rudolph of Vineland, NJ.

"I wanted to buy him before the Breeders Crown and they said that they wanted to race him in the Breeders Crown and they weren't going to sell. So, I've been trying to buy the

Escapetothebeach sold for \$250,000.

horse since October. Then, he ends up at the sale and qualified really well, so that probably cost us \$100,000, but I'd rather have him qualifying well and have to pay a little more than qualify bad.

"Since we started buying yearlings the last three years, now I know how hard it is to get one like this and I appreciate more these kind of horses when they come on the market. You go to the yearling sale and you could buy 15 babies and that doesn't mean that you're going to get one. So that makes you really appreciate it when you see a horse like (Lindy The Great), that's already made and can race at that level. He's already made \$650,000 and he's a good, big-looking, strong horse, it makes you appreciate when you have a chance to get something like that. I've seen it every year, those babies, it's a tough game. So, we're excited."

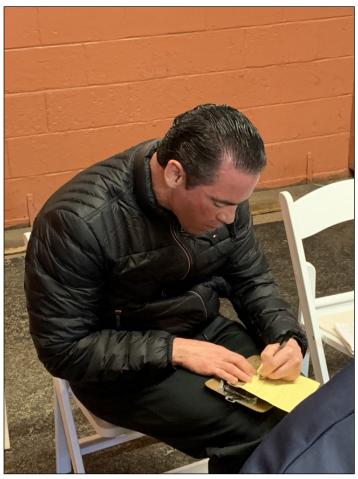

Allard said he thought Lindy The Great would sell for around \$400,000 and his limit was exactly the \$450,000 the horse sold for.

"The bidding was going really fast. I didn't bid right away, I

was waiting, waiting, waiting. When he was at \$420,000, I bid \$450,000. I put one bid in and said, 'Whatever happens from here on... if somebody else bids, that's their horse," Allard said.

"We're going to stake him to a lot of Grand Circuit races, obviously. We'll try to win a Breeders Crown with him and those sort of things. We'll talk it over a lot in the next year days and map out the schedule, but those kind of horses, they have so much opportunity to race for so much money that... when you look at the money that they get to race for, (\$450,000) sounds like a lot of money at first, but there's a lot of it in the end.

"I think the horse is coming into his own. He's lightly raced with 47 starts. Trotters seem to do their best at that age — six, seven, eight, so I think we bought him at the right time and he seems really sound. I was here yesterday and we vetted him out and everything, so we did our homework. I'm just glad we were able to put it all together and I'm looking forward to the season."

Dave Briggs

Trainer Virgil Morgan signed the \$250,000 ticket on behalf of owner Dana Parham for Escapetothebeach.

The \$450,000 bid is believed to be the highest at the Tattersalls Winter Mixed Sale (formerly the Tattersalls January Select Mixed Sale) since 2008 when George Teague, Jr. and Only Money Inc. paid \$900,000 for Total Truth to dissolve their partnership with Rodney Mitchell Inc.

Reid said he was, "happy to see the number of parties interested in (Lindy The Great). That shows health of the market. There were legitimately four or five different parties that you could tell were ready to fire at a certain level. I was very pleased with that."

Somebeachsomewhere—Shelliscape gelding Escapetothebeach was the second highest horse sold on Monday. He fetched \$250,000 from trainer Virgil Morgan on behalf of owner Dana Parham.

Morgan said he loves Escapetothebeach's pedigree, and his, "miles at Yonkers were scary good, :51 there and that's a real mile. He raced against the best in the country this year and was competitive. He's a horse that I'd like to race for a while. It's not the first good horse that Dana has had, so we'll sit down and get a game plan for him and map out a schedule for him for whatever is best for the year. I would imagine The Graduate is part of that, for the 4-year-olds.

Then we'll try to pick some other spots.

"Obviously, you'd like to get him a little cheaper, but at this sale the good ones just stand out and you're going to have to pay a premium for a horse like that."

The third highest priced horse sold was trotting mare Jezzys Legacy (Donato Hanover—Jezzy) that sold for \$150,000 to Beachy Brothers, agent, of Berlin, OH on behalf of an owner that wishes to remain anonymous.

Bobby Beachy, who signed the ticket, said he liked Jezzys Legacy's pedigree.

"It's a great family. Of course, the gentleman buying her, wants to breed her, in Ohio."

Stallion shares brought the next eight highest bids. Captaintreacherous shares sold for \$137,000, \$135,000, \$132,000 and \$130,000. A lone Father Patrick share sold for \$136,000. Muscle Hill share sold for \$127,000, \$125,000 and \$124,000.

Reid's Preferred Equine — which led all consignors with gross sales of \$4,792,800 — sold 108 horses/shares, including the 12 highest priced offerings that went through the ring.

He captured his \$109,206 division of the Nassagaweya at Mohawk in 1:52.3, his fourth career start, before claiming a Metro elimination and racing a close second to Captaintreacherous in the final. Ken Weingartner / USTA

Jezzy's Legacy sold for \$150,000.

Boni's Northwood Bloodstock was the second leading consignor with gross sales of \$476,700 for 18 sold.

"I was pleased. We sold well, I was very happy," Boni said. Reid said the results indicate the overall strength of the business.

"I appreciate the Midwest participation and it's growing over the years and continues to grow," he said. "Seems like it's going to continue to grow in 2020. I'm happy to see those guys become so active in the game. It's good for the business and it's good for them. I'm thrilled with their enthusiasm."

As for differences from year to year, Reid said the absence of 3-year-olds selling is noticeable.

"We only had about a dozen 3-year-olds," Reid said. "Years ago, with the winter series going on (at the Meadowlands) and maybe the bigger foal crops, there were more 3-year-olds around. That's one section, I feel, it's either a good sign that a lot of the owners that buy them as yearlings and race them at 2 are carrying them over to 3.... Or it could be there's just fewer horses. I'm trying to figure that out, but, despite that, I thought the crowd was very good and the breeding stock sold well enough, the shares sold well enough and I think the racehorses sold very well.

Again, in 2019, 150 horses/stallion shares grossed\$4,395,300 for an average of \$29,302.

In 2018, 221 horses/stallion shares grossed \$6,694,000 for an average of \$30,290.

In 2017, 233 horses/stallion shares grossed \$6,288,400 for an average of \$26,989.

In 2016, 258 horses/stallion shares grossed \$5,849,400 for an average of \$22,672.

In 2015, 269 horses/stallion shares and breedings grossed \$5,971,500, for an average of \$23,291.

In 2014, the gross of \$5,971,500 for 234 horses/stallion shares produced an average of \$25,519.

In 2013, 206 horses and stallion shares grossed \$4,549,600, an average of \$22,085.

"It's a good time of year to start planning. We'll start strategizing when our next mixed sale will be here. It's either going to be spring or summer. We'll definitely have one here," Reid said. "We might fool with the timing a little bit... sometimes it's Meadowlands Pace weekend, sometimes we've had it when it's Hambletonian eliminations weekend. We're going to play with it, but we'll be making some announcements soon.

"Tattersalls, as a sales company, appreciates everyone for coming here today."

There's no doubt - Bilibili is the best in the monté racing world

by Thomas Hedlund

The \$723,000 Prix de Cornulier monté race was held at Vincennes in Paris, on Sunday afternoon and as most of the fans expected, 9-year-old Niky son Bilibili was superior for jockey Alexandre Abrivard.

Abrivard took a safe start, far outside when the field of 16 trotters got away in the world's biggest monté race and Bilibili was eventually seen in third spot, kind of first over and several lengths behind energetic leader Fleche Bourbon.

Five-year-old Fleche Bourbon gave it a shot against older, more merited racing under saddle trotters, but the power to stand strong when the serious attacks were set in wasn't there for the leader.

Instead, Bilibili controlled new leader Feeling Cash already in the last turn and Alexandre Abrivard could note that he, once again, sat on the strongest horse in this prestigious race.

Bilibili, trained by Laurent Claude Abrivard, won the Prix de Cornulier in 2019 and he is positively the king and ruler in this particular event of the harness racing business.

The mile rate over 1.6 miles was 1:56, and Bilibili did that in a style that said there were more fuel in the tank. It was an outstanding performance by the best.

Etoile de Bruyere finished second ahead of Feeling Cash.

Propulsion to Paris

Daniel Redén decided to let Propulsion (Muscle Hill) go to Paris after Monday morning's training at the farm Furuby. That means that Propulsion will enter Prix d'Amérique for the fourth time and it seems like he will get company by another American bred trotter. Stefan Melander has engaged Yankee Glide son Milligan's School to the race.

Also, 2018 Elitloppet winner Ringostarr Treb (Classic Photo), trained by Jerry Riordan, will race next Sunday (Jan. 26) in the Prix d'Amérique, one of the biggest trotting races in the world.

Regarding Ringostarr Treb, Sunday is supposed to be his final race.

Twenty-one horses were entered for the big race in Paris when the entry box closed on Monday morning. Thursday (Jan. 23) is the day when the field is set.

Early season observations from Yonkers

by Brett Sturman

There's been just two weeks of racing in 2020 at Yonkers Raceway and already there's been some notable observations, both with the racing itself and economics of it.

For starters, horses sent out by trainer Andrew Harris have been nearly unbeatable winning 10 of 16 starts, with another two finishing second. Teaming up with leading driver Jason Bartlett, who is off to another fast start himself, just this week starters with that combination went 4 out of 6, all at odds-on prices.

As for handle, the track was extremely slow out of the gate last week, even by historical standards when the track first returns from hiatus. Monday and Tuesday night handles from Jan. 6 and 7 were only in the \$500k range despite relatively full fields, but the sharpest drop off came last Saturday, Jan. 11. That night, there were only 10 races carded instead of the usual 12, and only two of those races had eight horses. That night, one field had six horses, and another was scratched down from six to four. The result was a Saturday handle of just \$369,279.

For Alex Dadoyan, director of racing at Yonkers, last week's numbers didn't come as a surprise.

"I had been talking with our race secretary Bob Miecuna prior to the meet and he had expressed concerns about when we return because when we take a couple week break like Yonkers has done historically, that first week in January we're always short of horses," Dadoyan said. "It's just that first week or two because we're always short, and sure enough, that first week, it was a little short, no ways to put it, but it was better the following week and I think we're back to normal now."

This past week's Monday and Tuesday numbers jumped up a couple hundred thousand both nights into the \$700's, and the fields for this weekend's racing is more full than last weeks.

Having enough horses to race and drive handle is always a concern, and this year the competition to attract horses will start earlier than in years past. That's because Pocono Downs starts racing on Feb. 8, over a month earlier than its season ever starts. It's something that could impact not only Yonkers, whose schedule calls for racing five days a week, but possibly the Meadowlands as well, even though they're only racing two days a week.

Asked if he had any concern on the early opening at Pocono, Dadoyan said, "Yes, of course. It's hard to say what the impact is going to be until it happens, but I think everyone in region feels the impact when the Pennsylvania tracks of Pocono and Chester start back up (Chester opens, as per usual, in March). So, if that window is increasing when one of the tracks open, I think there will be an impact and we'll see what that is."

Granted it's because of the time of year, but right now there are hardly any tracks that run during the evenings, regardless of the day of the week or weekend. Maybe more should be done so that other tracks are thrown into the mix this time of the year, but it does put tracks that do race in an advantageous position. "Over the last two Thursdays really, it's just us and Woodbine and (to a lesser extent) Pompano, but there's no one running really because the Meadowlands stopped running on Thursdays and Northfield wasn't there, so it's usually an easy night for us and the other tracks to stay away from each other," said Dadoyan. "And this past Thursday, Pompano had eight races and Woodbine had 10. We had 12, so the last couple of races we were the only game in town, and we did great business. So, it's just those days where you can really see the impact of the competing tracks because on a night like Friday, the Meadowlands was running, Woodbine was running, everyone was running and it's tough out there."

Just as tracks handle more with less competition on nights when other tracks are dark, the same effect is true when tracks don't race over one another on the same race nights. Dadoyan noted, though, that despite best efforts to offer consistent post times, handle is impacted by the varying race-to-race drag of times at other larger tracks. This will never happen, but as has been said time and time again by myself and others, scheduled post times for a group of tracks that are centrally set and enforced would help each track maximize their exposure and handle.

On aesthetics, Yonkers has introduced a long overdue but nice-looking HD signal. The branding has moved from the traditional Yonkers green to the black and gold of MGM, with the real change being that in the process the live video streaming offered by Yonkers previously that was free isn't as accessible in the same way. It can still be accessed at no

charge through the ADW wagering platform associated with Yonkers, or through any other U.S.-based online wagering site; no different than most other tracks these days including the Meadowlands. Some may say that not being able to view the live stream directly through the track's website isn't helpful for handle, but the reality is that any person who is wagering to begin with would have access to free video through their ADW.

Throughout the next couple of months, there will changes

to the racing landscape as newer tracks re-open and Yonkers begins its dual annual FFA pacing series for both older male and female pacers. It remains to be seen how the track will assess any challenges and how bettors will react to it.

Woodbine unveils schedule for lucrative 2020 stakes program

Woodbine Entertainment today announced the 2020 schedule for its industry-leading standardbred stakes program at Woodbine Mohawk Park.

More than \$20 million in stakes races will be contested over the Mohawk Park racing surface in 2020, including \$12 million-plus in Woodbine administrated events.

The 2020 stakes season is headlined by a pair of \$1 million events (Pepsi North America Cup and Mohawk Million).

The 37th Pepsi North America Cup for 3-year-old pacers is scheduled for Saturday, June 20, while the inaugural Mohawk Million for 2-year-old trotters is slated for Saturday, Sept. 26.

Woodbine Mohawk Park will be the only standardbred track in North America to host multiple million-dollar races in 2020.

The Pepsi North America Cup card (June 20) will again feature five additional marquee stakes to go with the nation's most prestigious race for standardbreds.

The \$425,000 Fan Hanover for 3-year-old pacing fillies, \$370,000 Roses Are Red for pacing fillies and mares, \$260,000 Goodtimes for 3-year-old trotters, \$250,000 Armbro Flight for trotting fillies and mares and \$100,000 Mohawk Gold Cup Invitational make up the stacked undercard. Total purses for the evening will exceed \$2.5 million.

Mohawk Park will provide the setting for harness racing's largest showcase of elite 2-year-old talent on Saturday, Sept. 26. The \$1 million (USD) Mohawk Million, \$850,000 Metro Pace and \$550,000 Shes A Great Lady will feature the finest two-year-old trotters and pacers competing in the sport's richest races for rookies.

The Mohawk Million for two-year-old trotters follows a buy-in formula, with nine of 10 slots in the race available for purchase (\$110,000).

The 10th and final spot in the Mohawk Million will be awarded to the winner of the \$400,000 William Wellwood Memorial, which will be contested on Saturday, Sept. 12. The earlier date for this year's Wellwood provides a clear week prior to the Mohawk Million.

New in 2020, Woodbine Entertainment has changed the format of the \$650,000 Maple Leaf Trot and the \$600,000 Canadian Pacing Derby to remove eliminations and instead proceed to directly to the rich final with the highest lifetime earners (limited to 10) competing on Saturday, Sept. 5.

The \$665,000 Canadian Trotting Classic and \$350,000 Elegantimage follow the same format of highest earners competing for the second consecutive season. They are scheduled for Saturday, Sept. 19.

In total, the month of September will feature more than \$7 million in stakes races.

Woodbine Mohawk Park will again play host to legs of the Miss Versatility and Graduate Series in 2020.

The Miss Versatility for older trotting mares takes place on

Friday, May 29, while the Graduate Series for 4-year-old pacers and trotters will be held on Saturday, June 6.

The province's best will compete all-season at Mohawk Park building up to the Ontario Sires Stakes Super Finals and Grassroots Championships. The Grassroots Championships are scheduled for Saturday, Oct. 3, while the Super Finals will be held on Saturday, Oct. 17.

Woodbine will again distribute money to all finishers in major stakes finals during the 2020 season.

The winner of the finals will receive the traditional 50 per cent of the total purse, while those finishing sixth through last will take home one per cent of the purse. The horses finishing second through fifth will receive 50 per cent -24 per cent -16 per cent -10 per cent of the remaining purse.

Woodbine continues to administrate stakes for Ontario Racetracks in 2020, including Grand River Raceway, Flamboro Downs, Clinton Raceway and Hanover Raceway.

Stakes payments for all Woodbine administrated events can be made payable to Woodbine Entertainment. Payments can be made through the race office, by mail or online.
